

# Informed consent form for experimental participants

*Please read the following information carefully. You may also request a copy for future reference.*

**DESCRIPTION:** You are invited to participate in a research study on how quickly people can respond to stimuli under different conditions. In this experiment, you will play a simple game in which you have to press a button as quickly as possible under different conditions, and receive a score that depends on how quickly

**RISKS AND BENEFITS:** Beyond pleasure derived by way of participating in an experiment, there are no benefits to participation. There are no risks beyond the usual risks involved in using a computer.

**TIME INVOLVEMENT:** Your participation in this experiment will take approximately \_\_\_\_ minutes.

**SUBJECT'S RIGHTS:** If you have read this form and have decided to participate in this project, please understand your participation is voluntary and you have the right to withdraw your consent or discontinue participation at any time without penalty. You have the right to refuse to answer particular questions. Your individual privacy will be maintained in all published and written data resulting from the study.

If you agree with the above-stated conditions and are willing to participate in the experiment, please continue. By continuing, you agree that you meet the following conditions:

- You are over 18 years old.
- You have read the above consent form, understood it and you agree to it.
- You want to participate in the above-mentioned experiment.
